

General Statement	I did use GenAI tools in the preparation of this work.
ChatGPT v 4.0 Open AI, Chat GPT v 4.0.	https://chatgpt.com/ I used the tool to summarise key topics from the workshops and to structure my draft document and understand some concepts as well as finding contents associated with topic.
Wordtune, wordtune (web version).	https://app.wordtune.com/ I used the tool to spell and check the grammar of the final version of this assignment and rewriting.
Grammarly	Grammarly Inc (web version) https://app.grammarly.com/ I used this to spell, paraphrasing and check the grammar and final version of this assignment.
QuillBot	Quill Bot (web version) https://quillbot.com/paraphrasing-tool I used this to paraphrase some of the content as per the requirement of the assignment to avoid the repetition of words.
Microsoft 365 Copilot Chat, Microsoft	https://copilot.cloud.microsoft/ I used it to get some explanation of the topic, and it helped me understand basic concepts.
